1. INTRODUCTION

Who the Policy Affects

- 1.1 This policy is aimed at people who are:
- Members of our Governing Body and of the governing body of any of our subsidiaries
 - Everyone who works for us or any of our subsidiaries
- 1.2 For the remainder of this policy the above will be referred to as “our people.”

About This Policy

- 1.3 Forgewood Housing Co-op are a Registered Social Landlord and a Scottish Charity. We are part of a sector that has a strong reputation for integrity and accountability to the people we exist to help and to our Regulators. We must ensure that the organisation upholds its reputation and that of the sector. Our people cannot benefit inappropriately from their connection with the organisation.
- 1.4 This policy describes the entitlements, payments or benefits that our people are able to receive. It also describes what is not permitted and the arrangements that we have in place to ensure that the requirements of this policy are observed.
- 1.5 The Scottish Housing Regulator (SHR) requires us to have a policy that sets out what payments and benefits we permit and to ensure that these arrangements demonstrate transparency, honesty and propriety. We must ensure there is no justifiable public perception of impropriety.
- 1.6 As we are a Scottish Charity, all of our Governing Body Members must also ensure that they comply with the Office of the Scottish Charity Regulator (OSCR) guidance to Charity Trustees and charity legislation.
- 1.7 This Policy is intended to be a practical document that supports us in meeting all of the above requirements, ensuring that none of our people benefits improperly or inappropriately from their involvement with us, but also that they are not unfairly disadvantaged. We expect our people to act in good faith, and in applying the terms of the policy we will always take this into account.
- 1.8 As someone who is affected by this policy, you are personally responsible for ensuring that you are familiar with and comply with its terms.
- 1.9 At all times, we expect a common-sense approach to be applied to the interpretation and application of this policy. If you are unsure about anything relating to benefits, payments or entitlements you should consult with the Chair or Director (if you are a member of the governing body) or with your line manager (if you are a member of staff).

What this Policy Covers

1.10 This policy covers:

- Managing Your Interests
 - Registering and Declaring Interests
 - Entitlements, Payments & Benefits
- People Connected To You
 - Who Else You Should Consider When Declaring Interests
 - What You Should Consider
- Use of Our Contractors/Suppliers By Our People

Other Relevant Policies

1.11 The Code of Conduct is linked to this policy. Failure to comply with the terms of this policy will be regarded as a breach of the Code of Conduct.

1.12 You are also required to be familiar with and observe the terms of our Anti-Bribery and Fraud policy. We prohibit any attempt to induce the organisation or our people to offer preferential services or business terms and we will at all times comply with the Bribery Act 2010.

1.13 Our policies relating to the following are also relevant to this document and must be complied with at all times:

- Allocations
- Repairs and Improvements
- Adaptations
- Procurement
- Training
- Expenses
- Recruitment
- Sale of our Property
- Decoration Allowances/Prizes

Please note that this list is not exhaustive and you are required to comply with all of our policies and procedures.

2. MANAGING YOUR INTERESTS

Registering and Declaring Interests

- 2.1 In order to protect our reputation and demonstrate that we conduct our affairs with openness, honesty and integrity, we maintain a Register of Interests. You must record in this register any interests that you or someone connected to you (see Section 3) has which are relevant to our business. You will be required to confirm annually that your entry is accurate and up to date.
- 2.2 Where you have an interest in any matter that is being discussed or considered at a meeting, you must declare your interest and play no part in the discussion; you must withdraw from any part of a meeting where the interest arises.
- 2.3 The Code of Conduct also contains a section on Declaring Interests that you should comply with at all times.
- 2.4 An annual report will be made to our Governing Body on the entitlements, payments, benefits that have been recorded in the Register.

Entitlements, Payments and Benefits

- 2.5 Many of the interests you will be required to declare can be classed as entitlements, payments or benefits.
- 2.6 As one of our people, you potentially could be offered benefits over and above that to which you are contractually entitled, such as gifts or hospitality from external parties. Such offers would be as a direct result of you being one of our people and cannot always be accepted. We require that any such offers are managed and recorded very carefully to ensure the highest levels of probity in our organisation. Our people should not benefit – or be seen to benefit – inappropriately from their involvement with us.
- 2.7 Apart from payments that our people are entitled to by contract, statute or other agreement (e.g. salary, expenses), we will only make a payment to, or accept a payment from, someone affected by this policy in exceptional circumstances. Appendix A explains the payments we can and cannot make in more detail.
- 2.8 As we contribute to the economy of the area we work in and we have commercial and business relationships with many different companies, contractors, suppliers and service providers, you must ensure that we are fully aware of any connection that you or someone you are close to (see section 3) has with any of these businesses or organisations.
- 2.9 Some entitlements, payments and benefits we can never permit, and others we have additional requirements or conditions that must be met before we can permit.
- 2.10 Appendix A lists the entitlements, payments and benefits that fall under this policy, and states:
 - Which could be permitted by the organisation
 - Which will never be permitted by the organisation
 - Which you require to declare in the register of interests
 - Any other further requirements the organisation has before permitting

3. PEOPLE CONNECTED TO YOU

Who Else You Should Consider When Declaring Interests

3.1 As well as considering your own actions, you must be aware of the potential risk created by the actions of people to whom you are closely associated. There are three groups of people that you need to consider, outlined in Table A:

Table A

Group 1 Members of your household	Group 2 People closely associated with you	Group 3 Others you need to consider
Anyone who normally lives as part of your household, whether they are related to you or not, including spouses/partners who work away from home and sons and daughters who are studying away from home	<ul style="list-style-type: none"> • Parents, parents-in-law and their partners • Sons and daughters; stepsons and step-daughters and their partners • Brothers and sisters and their partners • A partner's parent, child, brother or sister • Grandparents, grandchildren and their partners • Someone who is dependent on you or whom you are dependent on • Close friends 	<p>Other relatives (e.g. uncles, aunts, nieces, nephews & their partners)</p> <p>Other friends (e.g. someone you are acquainted with socially, neighbours, business contacts/associates)</p>

- 3.2 If you become aware of any action or involvement relating to **anyone** in the table then you should declare and manage this as soon as possible.
- 3.3 However, we recognise that you will not always be closely acquainted with or in regular contact with all of the people listed and we do not expect you to go to unreasonable lengths to identify actions or involvement that are covered by this policy.
- 3.4 Please note, we do expect you to be familiar with the actions of members of your household (Group 1) and of any other people listed in the table above with whom you are closely associated and/or in regular contact and you must take steps to identify, declare and manage these.
- 3.5 **You are not expected to be aware of the actions of people in groups 2 and 3 that you do not have a close association and/or regular contact with.** We do not expect you to research into the employment, business interests and other activities of all persons with whom you are closely connected.
- 3.6 In relation to 3.4-3.7 above, when considering actions you should do so from the point of view of a reasonable and objective observer and a common sense approach should be adopted at all times.

What You Need To Consider

3.7 The following are the actions and involvement by those to whom you are closely connected that, should you become aware, we would expect you to notify us by making a declaration in the register:

- A significant interest in a company or supplier that we do business with or which is on our approved list. A significant interest means ownership (whole or part) or a substantial shareholding in a business that distributes profits, but does not include where an individual has shares in large companies such as banks, utility companies or national corporations, i.e. where owning shares would not give the individual any significant influence over the activities of that organisation.
- Where the individual may benefit financially from a company we do business with or is on our approved list
- Involvement in the management of any company or supplier that we do business with or which is on our approved list
- Involvement in tendering for or the management of any contract for the provision of goods or services to us.
- Application for employment with us.
- Application to join our Board or any of its subsidiaries
- Application to be a tenant or service user of the organisation
- If they are an existing tenant or service user of the organisation

4. USE OF OUR CONTRACTORS & SUPPLIERS

- 4.1 In order to help us maintain our excellent reputation, where possible you should avoid using the organisation's contractors/suppliers for your own personal purposes. We have made a list available to all of our people which outline the contractors and suppliers that fall under the terms of this policy. This is included at Appendix B.
- 4.2 We recognise that there could be certain circumstances where it might not be possible for you to avoid the use of all the contractors/suppliers on this list, such as where market conditions in your local area make it difficult to obtain a reasonable selection of potential contractors or suppliers. Under such circumstances you could be permitted to use those contractors/suppliers outlined at Appendix B, provided you are able to demonstrate that you received no preferential treatment in terms of price, quality or any other aspect of service delivery due to your involvement with us.
- 4.3 Approval to use those contractors listed at Appendix B is at the discretion of the approving officer (in accordance with our scheme of delegation). In order to be granted approval, you will be required to demonstrate that there is no reasonable alternative contractor/supplier providing the service required in your local area, and that you will receive no preferential treatment in terms of service or cost (which you will be required to demonstrate through quotations and receipts)
- 4.4 If you are looking to purchase goods or services from any contractor/supplier on this list then you must make a declaration in the register outlining:
- That you have received approval from the appropriate approving officer prior to the commencement of works
 - That you received no preferential treatment in terms of service or cost (which you will be required to demonstrate through quotations and receipts).
 - Where you inadvertently use a contractor on the list at Appendix B in an emergency situation, you must notify the approving officer as quickly as possible thereafter and enter an appropriate declaration in the register.
- 4.5 Any contractor/supplier not included on the list at Appendix B can be used without the need for any declaration/further action. Appendix B represents the majority of the contractors/suppliers that we use, but does not include any of our contractors/suppliers that:
- Only provide services of a small value (e.g. local window cleaners or sandwich shops) or
 - Have such a large national or local standing that no favour could ever realistically be gained (e.g. utilities, BT, banks or national chains)
- 4.6 **Guidance for approving officer:** The approving officer will have an appropriate level of seniority, in accordance with our scheme of delegation. In making your decision you should consider the level of potential reputational risk or any potential conflicts of interest that may arise by granting approval and, if granting approval, consider the steps required to mitigate against future conflicts of interest, such as ensuring that the individual is not involved in any transactions with or decisions about the contractor/supplier in question on behalf of the organisation. You should maintain a clear audit trail of every approval to use any of our contractors listed at Appendix B. The total number of our people to use contractors and suppliers, including the reasons for approval, and confirmation that no advantage was gained due to an individual's role within the organisation should be formally reported annually to our Governing Body.

5. REVIEW

- 5.1 Our Rules require the Governing Body to set our policy on payments and benefits and keep it under review. This policy has been approved by our Governing Body and is consistent with the requirements of our Codes of Conduct for Governing Body Members and for Staff. These Codes have been confirmed by the Scottish Housing Regulator as meeting their regulatory requirements.
- 5.2 This policy was adopted by our Audit & Risk Sub Committee on 14th August 2019. It will be reviewed not later than 31st August 2022.
